Deborah,  
Mr. Patrick McClary could not get the email to work so he sent this copy to me at the Tega Cay Water Advisory Council this morning.

I have typed it, printed it and scanned it to attach it to this email. If you do not get it please let me know and I will try again.

Thank you, Linda

Regarding CASE IS 2012-177-WS

Please submit this letter as disapproval of the TCWS proposed massive increase. The people at TCWS are obviously not going to be impacted by the decision or they would think the increase is absurd. I would be okay with a small increase say 5% but anything more is not reasonable and shows how badly the Water Service is mismanaged.

Thanks,  
Patrick McClary
